

## 5 & 12 Gallon Carpet Extractor available with heat

The Crusader 5 & 12 Gallon carpet extractors are great for bigger jobs where anything else just isn't practical. These extractors are great for cleaning stains and dirt that are ground deep down into the carpet fibers. These units come with the hose set and single jet wand, and are also available with heat.

3700-HEAT 12 Gallon Heated Extractor Shown above with standard 25' hose set and single jet wand

3690 5 Gallon Extractor Shown above which comes with 15' hose set and single jet wand

### Features

- 100 PSI Diaphragm Demand Solution Pump (150 PSI Pump Available Special Order)
- 2 Powerful Vacuum Motors With 105 CFM and 150" of Water Lift (3691-HEAT has 1 at 105")
- Available With 1750 Watt Heater That Heats Water 140° - 190° F (3691-HEAT has 1000 Watt)
- 25' 12 Gauge Power Cord (2 On Heated Units with the exception of Model 3691-HEAT)
- Draws only 15 Amps (Heated Unit Draws 2 x 15 with the exception of Model 3691-HEAT)
- Very Rugged Fiberglass Construction that is rust-proof and Impervious to cleaning solutions.
- 5 Gallon Units Come With 15' Hose and Single Jet Wand (Heated unit comes with special high temperature and high pressure hoses & valve)
- 12 Gallon Units Come With 25' Hose and Single Jet Wand (Heated unit comes with special high temperature and high pressure hoses & valve)
- Recovery Tank has a Removable Stainless Steel Float Shut-Off for Vacuum Motor Protection
- Light Indicator for Separate Circuit Sensing
- Pressure Relief Valve on Heater for Safety
- Clear See-Thru Dome Lid and a User-Friendly Design
