

17" Extreme Duty BULL Floor Machine

The Crusader 17" Extreme Duty BULL floor machine is the strongest 115 Volt floor machine on the market. The BULL floor machine has a totally enclosed motor and is ideal for the toughest conditions. This high quality unit is great for using in conditions that have dust, moisture, and chemicals and is great for sanding and screening applications, stone care, and concrete work.

9017-BULL Shown above with optional weights
