

## 30 Gallon Continuous Pump-out Vacuum

The **Crusader 30 Gallon Continuous Pump-out Vacuum** is great for pumping outside or to a drain while you continue to work inside. This vacuum can pump while you vacuum, or can pump when your done vacuuming. The pump-out vacuum is great for pumping down one or more flights of stairs instead of trying to wheel a vacuum tank full of heavy liquids down a stairs. **Save on workers compensation** from employees hurting their backs while lifting heavy containers full of liquids - **PUMP IT OUT!**
